Our little boy was afflicted with rheumatism in his knee; and at times unable to put his foot to the floor. We tried in vain, everything we could hear of that we thought would help him. We almost gave up in despair, when some one advised us to try Chamberlain's Pain Balm. We did so, and the first bottle gave so much relief that we got a second one, and, to our surprise, it cured him sound and well.—J. T. Bays, Pastor Christian Church, Neodesha, Kan. For sale by F. J. Watron, Druggist.

Three Doctors in Consultation.

(From Benjamin Franklin)
"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e., Theory) says is best, is to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. For sale by F. J. Watron, Druggist.
